The Rising – Tamso Maa Jyotirmaya” is a **registered society since 2007**, founded by Mr. Tarun Sharma with the support of a group of dedicated individuals reaching out to these children by conducting Life Skill programs, to save them for Suicides and Stress related problems.

The Rising, primarily focuses on addressing the *Emotional health needs* of the community and provides Counseling. Seminars and support to people in crisis. We also started working for underprivileged children in 2008, with the aim to educate them and make them feel confident enough to live their life positively. We started with 2 special schools to provide them primary level education and vocational training to girls. Now we have 4 special Schools under the banner of “**National Child labour Project” (Indian Labour Ministry)** in Faridabad with app. 200 children.

Since past a decade , with the support of hundreds of professional and student volunteers, donors and sympathizers from different walks of life, **The Rising**, has managed to reach out to more than millions of individuals in distress and has helped them through its powerful counseling seminars and referral services. Rising has also adopted hundreds of students for providing them elementary education and presently, many of them are studying in public and private schools, conducted uncountable stationary collection drives in many reputed schools and colleges across the country.

Though **The Rising** works to heal and support people from all walks of life, the emphasis of most of these programs is mainly on Children and Adolescents – the citizens of tomorrow India

“The Rising” is working for the following social causes:

- 1.) To teach underprivileged children (Labour Children) by providing them School, Books, Notebook, Bags, Dresses, Mattresses/Desk, and well qualified teachers for the betterment of their life.
- 2.) To stop Suicidal tendencies among stressed people especially students, teachers.
- 3.) To conduct various awareness drive on Stationary Collection & Distribution Drives, Menstrual Cycles,
- 4.) To organize Motivational Workshops on various “Life Skills” in Schools, Colleges, Prisons, Children Observation Homes, etc.

Our Aims & Objectives:

- (a) To educate all for the betterment of our nation’s future.
- (b) To stop drop out ratio among poor families children.
- (c) To eliminate labour child by giving them proper education
- (d) How Positive Attitude can easily overcome all the obstacles of our life;
- (e) How Positive Thinking strengthens us & initiates us towards our Aim of life;
- (f) To stop Suicide among our youngsters studying in schools & Colleges.
- (g) To provide “Counseling” to Stressed Children, Frustrated Parents etc.
